Bruce Lilker Chairs Successful ACE Mentor Program Event at 4 WTC

Lilker Associates President Bruce Lilker served as event chairman of the 8th annual ACE Mentor Program of Greater New York Fall Cocktail Event held at #4 World Trade Center on September 17, 2014. The event showcases an iconic new building in the city each year, and benefits the program that mentors high school students in careers in architecture, construction and engineering.

On a picture perfect evening with spectacular views from the 68th floor, over 250 people attended and close to \$150,000 was raised for ACE. The event included a video on Maki Associates' architectural design and presentations by Amy Wincko, Tishman Construction; Malcolm Williams, Silverstein Properties, the owner; and Richard Garlock, structural engineer, LERA. Bruce concluded the evening by thanking the top level sponsors who had contributed \$5,000 each: Five Star Electric, Gerner, Kronick, + Valcarcel Architects DPC, Jaros, Baum and Bolles, Lilker, STV, Schindler Elevator, Silverstein Properties, Tishman Construction, Tishman Speyer and Weidlinger Associates.
